

# VICTORIA'S SECRET

## The Lakes Mall - Muskegon, MI A property of CBL & Associate Properties - Chattanooga, TN

The following attachment was created and made available for the purposes of exposing the degrading, dark nature of Victoria's Secret but also of any local mall that allows these kinds of posters to be on display.

It is a fine line in knowing how to make people aware so that they, too, will voice their indignation, without going too far in our documentation.

Nonetheless, we have blocked portions of the pictures for the purposes of taking off the titillating edge.
